

LEADER STANDARD WORK

Lorra Browne, MemorialCare Health System

“Standard Work” has become a common (but often misunderstood) term in organizations that are trying to learn and apply principles for enterprise excellence. It is most often associated with the work that occurs at the front line, but what is less understood is the

standard work for leaders and managers. Lorra Browne, Executive Director and Embedded Lean Fellow at MemorialCare Health System in Fountain Valley, California will offer her thoughts and advice on this topic.
